

symposium on Recent Advances in Nucleic Acid Therapeutics

Dedicated to Professor Wojciech J. Stec
on the occasion of his 75 Birthday

October 15, 2015, Lodz, Poland

The Symposium is organized under auspices of Polish Academy of Sciences
and Centre of Molecular and Macromolecular Studies
of PAS in Lodz

Invited speakers

G. Michael Blackburn (University of Sheffield, UK)
Marvin H. Caruthers (University of Colorado, Boulder, CO)
Jyoti Chattopadhyaya (University of Uppsala, Uppsala, Sweden)
Włodzimierz J. Krzyzosiak (Institute of Bioorganic Chemistry, PAS, Poland)
Janez Plavec (Slovenian NMR Center, Ljubljana, Slovenia)
Naoki Sugimoto (FIBER and Konan University, Kobe, Japan)
Kazunari Taira (Tokyo University and Graduate School of Social Welfare, Tokyo, Japan)
Zhen Xi (Nankai University, Tianjin, China)
Xianbin Yang (AM Biotechnologies, Houston, TX)
Li-he Zhang (Peking University, Beijing, China)
Gerald Zon (TriLink BioTechnologies, San Diego, CA)

Conference venue:

Lecture Hall of the International Faculty of Engineering (IFE),
Lodz University of Technology, 90-924 Łódź, ul. Żwirki 36
